Raven

[by S. David] [art by Otto Rapp]

Flying free
No not really
Gainfully
Employed
By the All-father
But which
Hugin Munin
Large over
The land
Gaining
Knowledge
Of man
High spy
Perhaps
Then fleeing
Home across
The dimensions
Where the news
Given to
The All-Father
Is considered
Inspected
Dissected
Puzzle pieces
Until
The whole is
Seen and
Understood
A raven
A spy just
Doing his job
